

SUSANA BALBO WINEMAKER'S HOUSE & SPA SUITES

POST-TRAVEL RITUAL

SB – POST TRAVEL RITUAL

Our philosophy is based on integrating wellness into the guest's journey through our hotel, focused on the slow-travelling premise. Therefore, we begin the stay with a welcome ritual, specially designed to alleviate the effects of jet lag.

A fifteen-minute foot massage, with relaxing maneuvers that help to release tension and balance mind, body and soul through a pleasant sensation of general well-being.
